Conference Theme: Reimagining educational assessment in the age of multiple dimensions of learning in a global society.

> Century City Conference Centre and Hotels Cape Town, South Africa

EDITORIAL

The keynote address for the third day of the conference was delivered by Prof Anil Kanjee.

Prof Anil Kanjee's keynote address looked at assessment as a lever to improve quality of education, especially for learners from impoverished education systems.

keynote concluded by offering The practical insights and strategies to effect positive changes in the educational system across the African continent.

Panel Discussion

The penultimate panel discussion was titled "Enhancing accessibility and credibility for learners with special education needs."
