

## EDITORIAL

Welcome to the first issue of 40th AEAA News. This is the first in a series of four daily newsletters dedicated to the 40th Association for Educational Assessment in Africa (AEAA) Annual Conference hosted by Umalusi in Cape Town on 19-23 August 2024. The goal of the newsletter is to share snippets of the proceedings at this conference, during which about 120 papers addressing different aspects of the theme will be presented by speakers representing 20 different countries. Included in the number are five keynoters, three workshops, three panel discussions, and roughly 110 presentations.

Social activities are always a key component of a conference programme. We have heard in the bar that the social programme will not disappoint.

*Enjoy!*

## Tying up the loose ends

The Local Organising Committee (LOC), together with Umalusi Management, spent the whole day on Sunday 18 August 2024 presenting reports to the Executive Committee (EXCO) of the AEAA on the readiness of Umalusi to stage the conference. After carefully evaluating the information presented, EXCO expressed its satisfaction with Umalusi's level of preparedness.
